TWO HURT IN RECENT CROSSFIELD DISTRICT CAR ACCIDENT

CROSSFIELD.— Jerry Cerny of Albert Park, Calgary, is in hospital with a broken collar bone after being injured on Friday night when his car left the road near Carstairs, and plunged into the ditch, coming to rest upside-down.

Mary and Donald Hopper and Christina Jones were passengers in the car. Mary received a gash on her forehead, and a mouth injury, which resulted in the loss of some teeth. She is recovering in the Didsbury Hospital. The other occupants of the car were uninjured.

Ralph Lind was very fortunate in escaping injury, when on Friday night, Nov. 10, he was returning from the Crossfield dance, and lost control of his Ford car, resulting in heavy damages to the car.

Two young Wood's boys were uninjured after turning their brother's car over in the ditch west of the Masonic Hall.

On Nov. 13, in the General Hospital, Mr. and Mrs. Mervin Fox were happy in the treasured possession of another son, Wayne Curtis, a brother for Larry.

Sharing the same room in the General Hospital with Mrs. M. Fox was Mrs. Scottie Russell of Calgary (nee Helen Gilbert, formerly of Crossfield) and close friend of the Foxes. Mr. and Mrs. Russell are likewise happy in the birth of a daughter, Bonnie Jean, a little sister for Billy. Bonnie Jean was also born on Nov. 13. Both of the fond parents think 13 is a pretty lucky number.

Hugo and Freda Ballam celebrated their 26th wedding anniversary on Nov. 14.

The W. Aldreds and R. Bantas celebrated wedding anniversaries on the same day—Nov. 12.

Mr. George Becker is critically ill at his home in town, and nearly all of his family are close at hand to minister to his comfort. Mrs. Hector McDonald has been ill with an attack of erysipelas, but seems to have recovered in record time, due to the use of new drugs and good medical attention.

Mrs. Earl Adams and Mrs. Win Landmeyer left Friday a.m. for a trip to the coast, where they will visit their parents, Mr. and Mrs. J. Tennant of Vancouver. They will also visit other friends and relations.

Mr. and Mrs. Walter Harris and Joyce motored to Lethbridge to attend the wedding of Felix Cote and Lillian Pontarillo on Nov. 11. They were accompanied by Allen Cote of Father. Felix attended Crossfield High School for one year and will be remembered by his former classmates.

The Intermediate and Senior CGIT will commence a baby-sitting agency for parents who wish to attend Church on Sunday evening. Those wishing to take advantage of this splendid opportunity should contact (Rev.) W. S. Anderson.

The United Church Parlor is certainly improved by the paint job done by the CGIT girls, Rev. and Mrs. Anderson and two Trail Rangers. Appreciative thanks are coming in from every direction. The boys' group are going to commence work on the basement with a "clean-up" in paint. They hope to start this week.

Mrs. Fred Jensen and Mr. Light-

foot left for the East. Mr. Jensen is to take delivery of a new Pontiac car, and Mr. Lightfoot will visit relatives in Ontario.

Gordon Purvis and Leonard Beddoes are also on a trip to Eastern Canada.

Mrs. Jean Stevens entertained the Afternoon Bridge Club members, Tuesday, Nov. 14. A nice lunch was enjoyed, and honors at cards were shared by Mrs. Casey and Mrs. Fraser.

Lorna, young daughter of Mr. and Mrs. Tommy Bland, has been in poor health lately, which has kept her away from school for some time.

Joyce Kotow, Crossfield High School student, is being congratulated on having attained the highest girls' marks for Grade 9 school examinations, and third highest for both boys and girls in Calgary School Division, there being only one point of difference in each case.

Talk about knowing your onions—Garnet O'Neill sure knows his beans. At a social evening at Aldridge, Mr. O'Neill guessed 1285 as the number of beans in a jar. The answer was 1329. His prize was a glass fruit juice set.

Mr. and Mrs. Frank Ruddy entertained at a delicious turkey and chicken dinner at their farm home on Friday, Nov. 17, at 7:00 p.m., when places were laid for twelve guests, who did justice to the fine art of their hostess' cooking. Three tables of bridge were enjoyed during the social evening, with the honors going to Doris Casey and Garnet O'Neill, and consolations to C. Fox and Flossie McNaughton.

The United Church W.A.'s held a very successful bazaar, tea, fish pond and sale of home cooking on Nov. 18, in the Memorial Hall. Close to \$350.00 was realized by the groups, and they wish to express sincere thanks to all who attended or who helped with the bazaar work, tea or bake table, and to the kids, big and little, who fished in their pond.

Mervin Stafford is a patient in the General Hospital, where he underwent an appendix operation. Fire broke out in the home of Doug Dundas on the morning of Thursday, Nov. 16. However, no extensive damage was done, most of the loss occurring from smoke and water. The siren was sounded

Mrs. A. Christianson Passes At 92

Mrs. Andrew (Anna) Christianson, a resident of Crossfield since 1902, died Thursday in Calgary General Hospital at the age of 92. She was born in Weesbydam, Denmark, and is survived by a son, Christian Christianson, two grandchildren and two great grandchildren. Her husband predeceased her in 1927 at Crossfield.

Rev. C. W. Anderson conducted the funeral service Monday at 2:30 p.m. in the Crossfield United Church, with burial in the Crossfield Cemetery under direction of Melniss and Holloway.

Crossfield Pioneer George Becker, Passes Away At 79

Pioneer resident of Calgary and Crossfield, George Becker, died Sunday at his home at the age of 79. Born in Stratford, Ont., Mr. Becker came to Calgary in 1889, moved to Crossfield in 1902, to Black Diamond in 1939 and returned to Crossfield in 1945.

He was past deputy grand master of the IOOF Lodge, No. 42, member of the Masonic Lodge at Crossfield and of Crossfield United Church.

Surviving are four sons, Carl and John of Calgary, Louis and Fred of Crossfield two daughters, Miss Marie Becker, Calgary, and Mrs. George Lind, Crossfield; one brother, Henry, Dayton, Ohio; 10 grandchildren and one great-grandchild.

Funeral services were held Wednesday at 2:30 p.m. from Crossfield United Church with Rev. C. W. Anderson officiating. Burial was made in Crossfield Cemetery. Melniss and Holloway of Calgary were in charge of arrangements.

Last Rites Held

For John McCaskill

Mr. John Bennie McCaskill, who has been a patient sufferer for some time passed away on Nov. 13. He was buried in Crossfield Cemetery, with services conducted by Rev. Anderson of the United Church, whose whole-hearted messages were appreciated. The church choir was in attendance and sang, by special request, "The Sands of Time Are Sinking." The pall-bearers were: Messrs. E. Fraser, B. Stillings, W. Stralo, A. Gordon, E. Banta and H. McCarty. Gooder Bros. directed the funeral.

MADDER MURMURS

Miss Catherine Leask, R.N., left Wednesday for Victoria, after having spent a month's vacation with her mother and other relatives.

Mr. and Mrs. Harold Rach held their wedding dance Tuesday, Nov. 14, at the Madden Hall, with the Melody 5 Orchestra in attendance. A large crowd was present to enjoy the evening.

Mr. and Mrs. H. Baxter attended the wedding of the latter's sister, Miss Joan Northcott, to Mr. Harold Turnbull of Olds, Saturday, Nov. 10. The wedding was in the Balzac Church, and a reception for 80 guests was held in the Balzac Hall.

Mr. and Mrs. James Hamilton and Mr. and Mrs. Robert Dodd attended the Downie-Sword Wedding at St. Stephen's Church, Calgary, Nov. 18, and the reception held in the Brentwood room of the Empress Grill. Mrs. Hamilton attended the bride as matron of honor.

The first H. & S. meeting of the year was held the second Thursday of Nov. It was fairly well attended. The next meeting will be held on Dec. 14.

A dance was held in the Madden Hall on Nov. 17, with the George Smith Orchestra from Calgary. The unseasonable cold weather adversely affected the attendance.

Dianne, infant daughter of Mr. and Mrs. Finnigan, was christened at the local church on Sunday, Nov. 12.

TEACHERS FEDERATION PRESIDENT ADDRESSES CROSSFIELD MEETING

CROSSFIELD.— The Crossfield Home and School held its second meeting of the year on Thursday, Nov. 16 in the school.

The meeting was well-attended, as the feature of the evening was an address by Mr. E. Wiggins, president, Canadian Federation of Teachers. His address was based on the fourth annual meeting of the World Organization of Teachers held in July at Ottawa. Mr. Wiggins was a delegate from Western Canada to attend this function, where 26 countries were represented. The organization represents the free world outside the Iron Curtain and is four years old. Its purpose is to defend the rights of teachers and children and is probably one of the strongest anti-Communist organizations in the world. One interesting comment in the resume was that a lady representative from Norway—a territory over-ridden by Nazism during the war—seated by a representative from West Germany, a territory over-ridden by Nazism during the war, was asked to express her feelings on the subject. She stated that her hatred was not directed toward the individual at all—just against the ideology of Nazism itself. The representative from Greece told of the terrible hardships—murder, starvation and kidnappings which followed the Communist intervention in Greece. The picture painted was anything but a happy one, of the country to which we owe so much of our learning in education and fine arts. The country is crippled and starving, with insufficient clothing for even their new-born babies.

Mr. Wiggins' talk was one of the most interesting and educational of its kind held at H. & S. and was greatly appreciated.

Another interesting feature was a presentation made by H. Munby, principal, to Joyce Kotow for having attained the honor of holding the highest marks for boys and the third highest for girls in the Calgary School Division, there being only one point separating the marks of the girls and boys. Joyce was congratulated warmly by her principal, who, in conclusion, presented her with \$25.00. This honorarium has visited our school several times. The last two pupils honored were Gerald Hurt and Charlie Smith. Gerald Hurt and Florence Landmeyer both previously won the Governor General's Medal.

Four pupils, namely, Alvin McCool, Arnold Chambers, Beverly Tronnes and Eleanor McDonald, contributed to the evening's entertainment with an Egyptian pantomime, which depicted early life in that country. This was under the instruction of their room teacher, Miss Stagg, and was very commendable.

Mr. Turley, a new teacher, was given a warm welcome by President Bert Lilley.

The date of the next H. & S. meeting was set for Dec. 7, owing to the fact that the regular date was too close to Christmas. The lunch committee served a nice lunch after the adjournment of the meeting.

Old Timers Reminded Of Annual Banquet

Dear Old-Timers: Once again it is November, and with that month every old-sold-buster and pioneer begins to think of the Round-up and Banquet, which has become an annual event for so many years in our town. As you all will remember, it is held always on the last Wednesday in November. We are very proud that we are able to make our old-timers much more comfortable with the facilities in our new memorial community hall. We had a record attendance last year and anticipate its equal or better this year.

Our president, Wilson Stafford and his executive are busy making preparations for the big event. The combined WA's have consented to sponsor the banquet, which will be served in the new hall from 6:00 to 7:30 p.m., Nov. 29. Needless to say, the church groups will need lots of help and food donations, and as their cause is a worthy one, we are sure that they will receive your full cooperation. It's going to be a turkey banquet with all the trimmings again, and we have lots of that wonderful bird on order.

Following the dinner, there will be a short program, which we are sure will be of interest to you. Following this, the Mountaineers' Old-Time Orchestra will fill the hall with good music and how-downs that you have been waiting for since our last round-up.

Please keep the date in mind. Over 200 cards have been mailed. They are not special invitations but just a little something to jog your memory. So pass the good word to another qualified old timer, who may not have received a card.

We hope to see you at round-up, old pal, to re-live the good old days for one short evening of fun and frolic. Must be hitting the trail. So-long until then...

Your President, Wilson Stafford
Your Secretary, Evelyn Lilley.

The Olds Election

Both Premier Manning and Liberal Leader Harper Prowse expressed gratification at the results of the Olds byelection. The Social Credit candidate was elected but the Liberal vote was much higher in proportion than in the last provincial election.

Actually, it's anybody's guess as to which way the wind is blowing, with only one byelection to act as a weather-cock. It seems to us that under Mr. Prowse's leadership the Liberals are fast becoming the recognized second party in the province. The party has a five-member Alberta representation in the Ottawa house, a big improvement over the previous general election. It is expected the next provincial election will be held in 1952 and a continuation of this trend to Liberalism in Alberta may upset a few political apple-carts.

Report to the People

The provincial government is to be commended on using the press of the province to report the work being done by the various governments departments. We have advocated for some years a program such as this, designed to keep the people of Alberta informed on just what their representatives are doing.

This policy has been in effect in British Columbia for a number of years. It is only right that the people should be told not only what government policies are at election time, but how those policies are working out in actual practice.

The first of these reports is entitled "Government Business Is Your Business—Without Health There Is No Happiness."

Flying the Wounded Home

Canadian Army units embarking for action in Korea may see plenty of it. The Chinese Communists can apparently supply an unending stream of fighting men for months or years to come, backed by Communist ideology, Russian arms and the age-old Chinese ability to propagate faster than famine, war or pestilence can destroy. It has been estimated that if an army marching out of China were to pass a given point, four abreast, at quick-march pace, day and night, without stopping to eat or sleep, they would never all pass that point. With a population of 400,000,000 enough children are born, and enough reach military age to keep the supply of soldiers inexhaustible.

How good they are as fighting men is another story. We don't know the answer to that, not yet. How many would die, unattended on the battle field, would in a callous manner of speaking, seem inconsequential. But how many of our Canadian boys are brought back to health after being wounded or taken sick is a matter of vital importance to us.

No doubt arrangements have already been made to fly wounded Canadian soldiers back home. The United States Army reports that the men wounded in Korea, who are being returned to this continent for hospitalization "are coming back in better shape than in World War II."

The U.S. Air Force reports that in August 1,378 patients were flown from Japan and Korea to this country. These included battle casualties as well as other injured and ill persons. C-97's that are being used for transport carry fifty patients and attendant nurses and, because of greater flying range, take a shorter route across the Pacific. On the average, the big planes take thirty-seven hours to reach the west coast.

The airplane has become a mighty weapon of warfare but in this instance, at least, it serves the cause of humanity. It would be impossible to imagine the reaction of soldiers a generation ago to the suggestion that, in the future, men wounded in battle would be carried through the air for thousands of miles for hospitalization.

Will Laws Cure Alcoholics?

By T. W. Pue

Those who read my article in this column last week will know what type of drinker is termed an alcoholic.

Once a man becomes an alcoholic, he remains one for the rest of his life whether or not he ever quits drinking. For an abstaining alcoholic is always susceptible to the disease and must remain forever on his guard.

Yes, alcoholics are actually sick people. Alcoholism is a disease. For other diseases we prescribe medical treatment. For alcoholism we legally have only ineffective laws designed to prevent the patient from getting the stuff or to throw him into a prison cell as a common rogue.

Interdicts
By getting a legal order to restrain bartenders from serving known alcoholics whom they recognize, wives and mothers hope to keep their men sober. Actually, this is a good law—as far as it goes. There are also laws against non-interdicts buying liquor on behalf of those on the "Indian list" but if an alcoholic wants to get liquor there are usually enough of his so-called "friends" unkind enough to break the law for him.

Criminals
Then, too, there is nothing to stop an interdict from driving to the next town where he is not known and buying all the beer he can consume. Hotel men are supposed to refuse to serve a patron who is showing signs of inebriation, but it's pretty hard often to tell when an alcoholic is drunk or sober.

Actually the regulations against supplying alcohol with alcohol are quite ineffective, because when a drunkard wants to drink he'll get the stuff by fair means or foul.

So, because our patient gets more liquor to satisfy his craving, because he is sick and unable to drink like a normal, well person, we arrest him, put him behind bars for a short time, and then release him again to crave, drink, get drunk and be arrested again in an unending circle of human despair.

I do believe we need much better enforcement of the laws governing liquor control. But all such laws being restrictive are purely negative in their value.

What the alcoholic needs is not less liquor because someone tells him he shouldn't have it, but none at all, because he himself realizes that he is an alcoholic, and cannot, under any circumstances, take another drink.

Next week I will discuss a group of alcoholics who have been able to remedy their condition by totally abstaining—because each has the firm conviction and will do it, with the help of a Higher Power than themselves.

Scriptural Meditations

By Ainsley Blatz

"If we would but think of God as often as we have evidence of his care for us, we should keep him ever in our thoughts, and should delight to talk of him and to praise him. We talk of temporal things because we have an interest in them. We talk of our friends because we love them; our joys and our sorrows are bound up with them. Yet we have infinitely greater reason to love God than to love our earthly friends; and it should be the most natural thing in the world to make him first in all our thoughts, to talk of his goodness and tell of his power.

SOURCE OF U.S. DOLLARS

Since the European Recovery Program was originated in 1948 the United States has advanced \$603,100,000 with which to purchase agricultural produce in Canada.

WHEAT CONSUMPTION

Domestic disappearance of wheat in Canada in the 1950-51 crop year will reach 155,000,000 bushels, an increase of 25,000,000 over the previous crop year, according to an estimate made by the Dominion bureau of statistics. Increased animal feeding will account for the larger disappearance according to the bureau.

Wheat can now be processed so that it cooks, smells, tastes and looks (except for color) like rice. The Australian Wheat Board is reported to be undertaking to build a processing plant that will turn out about 60,000 tons of processed wheat a month. The idea is to sell this product to rice eating nations in the Far East which are not able to get enough rice to feed their population.

New County Act Will Affect Educational, Municipal Affairs

By W. R. Sinclair

(Condensed from the Alberta School Trustee)

The County Act came into force on July 1, 1950. When implemented its provisions will have a great effect upon the local administration of education, municipal hospitals, and municipal affairs generally.

The new legislation is designed to consolidate the local administration of municipal affairs, municipal hospitals and education within the confines of an area to be known as a county into the hands of a new group, the county council, and its committees.

It provides for the formation of not more than four counties. The Lieutenant Governor in Council is to form a county only after having received a resolution to that effect from the council of a municipality or from the board of a school division which forms a major part of the area to be designated as a county. Four years after the county has been formed, a plebiscite is to be taken among its electors to ascer-

tain whether or not they are in favor of its continuation. The system is therefore to be in the nature of an experiment.

The order establishing a county is to become effective on January 1st in the year following its publication.

The question arises as to the representation on the school committee of the county council of such a district. The position is not clear. The School Act provides that where a town or village district has more than eight classrooms operated for resident pupils, and is included in a division by agreement, the Minister of Education may constitute such a district a separate sub-division, and provide for the election of another member to the divisional board to represent it. Similarly where a town district has been included, whose resident pupils

COAL INDUSTRY LOOKS AHEAD

Coal fields of Alberta, which contain more than half of the coal reserves of Canada, must find new markets if the industry is to stay healthy.

This was the theme of coal delegates at the recent annual western meeting of the Canadian Institute of Mining and Metallurgy.

Hon. N. Tanner, Alberta's minister of mines and minerals, said that increased freight rates would be a most serious development from the industry's point of view. According to present indications, the rate per ton for coal moving from Alberta to Ontario is due to go up \$2.35 next March and the same amount again the following March.

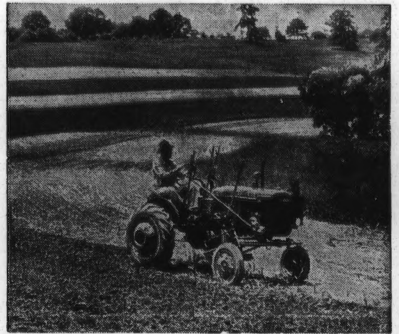

The industry supports 10,000 people directly and 75,000 indirectly.

exceed 40 per cent of the division's total enrollment. The School Act allows the Minister to provide for the election of two additional members of the divisional board to represent the sub-division.

The County Act says that where all or any part of a division is included in a county contains a district which includes a town or village which has been constituted a separate sub-division pursuant to The School Act, that the Board of that district may each year nominate an elector of the town or village who shall be appointed by the county council to the school committee.

Wingate Raider Arrives To Settle In Alberta

Harry Lineker, a member of the famed Wingate Raiders who saw action in Burma during the late war, has arrived from England to settle in Edmonton. He is staying with H. Lame, of 9542 98 st.

Serving with the Grenadier Guards from 1939, Mr. Lineker transferred in 1943 to the Commandos and was sent to the east to teach guerrilla tactics to the Chinese.

This did not materialize and his company was sent to Burma, where their work was demolition behind enemy lines and hit and run raids. Their only contact with the Allies was by portable wireless.

Three months after they had been behind enemy lines the Japanese increased their vigilance to such an extent that it was impossible to get supplies dropped to them by airplane. By this time they were also unable to get back through enemy lines.

They existed on berries, monkey meat, and whatever else they were able to get from the land.

A chance, unknown entry into

China allowed them to escape to Allied lines. They travelled in a 3,000-mile loop, finally entering Northern Burma and reaching the British at Fort Hurd. Of the 42 who had gone behind the Japanese line only eight arrived at Fort Hurd.

Mr. Lineker stated that he found the farms between Calgary and Edmonton "very interesting."

GOVERNMENT NOTICE

Use of Provincial Crest Prohibited

The Alberta Crest is reserved for the use exclusively of the Provincial Government by the Provincial Arms Act.

Any person, firm, corporation or association using the Alberta Crest on Calling Cards, Letterheads, Souvenirs, Publications or otherwise, is doing so illegally and the practice should be discontinued forthwith.

C. E. Gerhart
PROVINCIAL SECRETARY

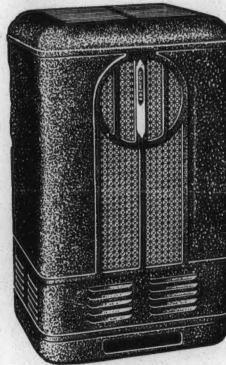

We are sorry to hear Alf, our druggist is considering a deal on his drug store. He has been with us for many years—knows all our complaints, knows all our children—in fact he has been a general veterinarian for all our stock

on the farms. With his timely advice and considerate nature, he has pampered us all for so many years that, I ask you "What will we do with our friend, Alfred?" Let us hope he takes a good rest and comes back to us.

PREPARE FOR SAFE WINTER DRIVING

Motorists are urged to have the safety equipment checked in their car and truck now before the weather shifts into high gear for winter. Look to these mechanical features:

- **EQUALIZED BRAKES** reduce chances of skids when stopping on snow, ice or wet pavement.
- **TIRES** with good treads are desirable, particularly for good traction when you need it.
- **CHAINS** should be checked and ready for use on driving under snow and ice conditions.

LIGHTS ● **FROST SHIELDS** ● **HEATERS** ● **DEFROSTERS** ● **WINDSHIELD WIPERS** should be checked and put in good shape for good visibility and driving comfort.

**Be Careful - the life you
save may be your own!**

Government Business Is Your Business

To help maintain the health of its people is a government responsibility; to insure personal happiness through good health is the responsibility of the individual.

The Department of Health, through its district nurses, district health units, clinics, and other services, functions solely for the purpose of safeguarding health and improving health standards.

You are asked to familiarize yourself with provincial health services and recommended health rules and practices so that you are capably informed when disease or illness threatens. When in doubt, consult your doctor, or if no medical service is available consult your district nurse.

Your Department of Health offers diagnostic, instructional, clinic or hospitalization service as follows:

ARTHRITIS: Free investigation and diagnosis, and treatment where indicated and ordered by the Director of Arthritis clinics, to all under 21 years of age suffering from rheumatoid arthritis. Clinics at Edmonton and Calgary.

CANCER: Free radium, X-ray, and surgical treatment plus free hospitalization when necessary for diagnosis where ordered by the Cancer Clinic in Calgary or Edmonton.

MATERNITY HOSPITALIZATION: Free public ward hospital care for all maternity cases.

POLIO MYELITIS: Free medical, surgical and hospital treatment for all suffering from paralysis due to poliomyelitis. Special academic instruction for children and vocational training for adults.

TUBERCULOSIS: Free treatment for all cases of tuberculosis and free diagnostic service through clinics and mobile X-ray units. Sanatorium beds maintained at Calgary and Edmonton with 300 additional beds to become available in the new Aberhart Memorial Sanatorium.

MENTAL HYGIENE: Mental patients are benefiting by the advanced methods used in provincial hospitals and training schools. Provincial Guidance clinics are held regularly for cities, towns, and rural areas giving preventive service to promote good mental health.

towns, and rural areas giving preventive service to promote good mental health.

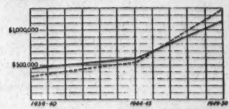

NURSING SERVICES: District nurses in remote rural areas provide the following services free:

Pre-natal, natal and post-natal care.

Free immunization services.

Regular baby clinics.

School health inspections and emergency aid.

Dotted line shows increased amount spent for Cancer and Tuberculosis treatments in past ten years.

LETTER TO LOUISA

Girl Friend Angry After Five Years Friendship

DEAR LOUISA:—I have been going with a girl about five years but we have never been anything to each other but good friends.

We are neighbors and I never thought of her in any other way but found her to be good company.

A new girl has come to town and I am very much attracted to her but this old friend of mine gets very angry when I talk about having a date with this newcomer. She acts like I belong to her but I have never had any idea of marrying her, as I am not in love with her.

I don't know what to do. I hate to lose my good friend, but I would like to date this other girl.

TWENTY-TWO

Answer:

It seems rather selfish to take five years of a girl's time when you are not in love with her. The girl herself is really at fault

ALTA. OLD TIMER PASSES AWAY

A highly respected old time resident of Alberta, Mrs. H. G. Dunfield, passed away in a Calgary nursing home Nov. 2, at the age of 80 years.

Elizabeth Keyes Dunfield was born at Adamston, Ontario, May 19, 1870. She married Hugh George Dunfield, Oct. 18, 1893, and came west with her husband to Okotoks in 1905. Then after three years sojourn at Dewinton, they moved to the Delia district in 1909, where they resided until 1936. Since then they have made their home in Edmonton, and with their son at Gibbons.

Mrs. Dunfield was a member

of the Presbyterian church since childhood and a charter member of the first missionary society formed in Delia. She has always been deeply interested in all church and community affairs.

She leaves to mourn her loss, her husband, Hugh George Dunfield and two sons, Leslie of Delia and Erwin of Gibbons; three grandchildren, Mrs. L. Hage of Hanna, Earle of Calgary, Mrs. J. Shearer of Lethbridge and one great grandson, Ronny Shearer of Lethbridge; also a sister, Mrs. Wm. Hodgins of Renfrew, Ont.

Funeral services were conducted by Rev. deLewer from the Delia United Church at 2:30 p.m. Nov. 4.

The choir was in attendance and the hymns sung were "The Sands of Time Are Sinking," and "Safe in the Arms of Jesus."

Mrs. Whitman and Mrs. Eberley rendered a special duet.

Palbearers were: John Carter, Wm. Sinclair, Hawk Ellerton, Charles Greer, D. H. Campbell, A. C. McCully.

Interment took place in the family plot in the Delia Cemetery.

To bring this anti-aircraft gun into action calls for a full crew — skilled men trained to fight as a fast-thinking, fast-acting team. To train such a crew takes time: gun crews must know how to handle modern scientific equipment — electronics, radar, radio, telephone; men must work together with the closely timed co-ordination of a championship football team.

The Canadian Army Active Force needs men today ... keen young men who can begin training immediately as anti-aircraft gunners. You can take your place at the side of the men who defend Canada by reporting for training without delay. Act now — and help make Canada strong.
